February 5, 2020 Pomfret Select Board Meeting Draft Minutes

Present: Emily Grube (phone), Steve Chamberlin, Scott Woodward, John Peters, Frank Perron

Public: Neil Lamson (Lister) Jim Potter (Road Foreman), Ellen DesMeules (Treasurer), Cynthia Hewitt (SB Assistant)

- 1. Scott Woodward, acting as the Chair for the meeting, called the meeting to order at 6:04pm
- 2. No public comment
- 3. Review of Agenda: The board unanimously approved the following changes to the published agenda: (1) removed HR Follow-up and PACIF grant for smoke detectors for the Town Hall and Library, (2) added renewal of CD for Highway Vehicle Reserve, SILO Distillery catering permit, Update on Radio Repeater and further action on Zoning Regulations. John Peters moved and Frank Perron seconded changes to the agenda. On a roll-call vote, the motion carried unanimously.
- 4. Recurring Items
 - a. CD renewals Ellen has made the following suggestions regarding upcoming CD renewals in anticipation of truck purchases: use the \$73,100 in this year's budget, A CD for that initial amount at Mascoma (matures July 21) and CD at MACCU for \$27,500 that matures June 1, and another one at Mascoma of \$60,700, that would amount to \$234,400. That would allow you to make a small withdrawal from the CD coming due at Bar Harbor on Feb 19 (say \$20,000) and roll that CD for another year. And also renew the other CD at Bar Harbor (about \$111,000) you have still at least \$185,000 in CDs toward future trucks. Best rate is 1.75% from Mascoma. Emily moved and Frank seconded permission to Ellen to make these arrangements. Passed.
 - b. Approval of 01/08, 01/15, 01/21, & 01/25/2020. John Peters moved and Steve Chamberlin seconded approval of the minutes. Upon discussion of the motion, Scott Woodward read changes to the 1/8 minutes and will send those changes Cynthia Hewitt for the final minutes. On a roll-call vote, the motion carried unanimously.
 - c. Warrants for Approval: John moved and Steve seconded payment of the following warrants. Motion passed

19080 \$36,560.12 Accts payable 19075 11,485.22 Payroll 19076 39,793.24 Accts payable

d. On discussion of expenditure related matters, the Fire Department requested advanced approval for Ellen to cut a check to pay for lock replacements at the fire station in the amount of \$1,063.25. John Peters mentioned that the unwritten policy of the fire department was that building expenses would be covered by the Fire Department instead of the Town. Emily noted that if this expense causes the Fire Department to exceed their budgeted expenses, then the Fire Department would run

out of money. Frank Perron moved and Steve Chamberlin seconded that the board approve in advance that the Town Treasurer cut the check before the invoice is approved on a warrant signed by Selectboard. On a roll-call vote, the motion carried with three votes in favor (Emily Grube, Frank Perron and Steve Chamberlin) and two opposed (John Peters and Scott Woodward). Emily Grube also noted that the Town had received a \$2,000 donation for the FAST Squad. Upon discussion, it was clarified that the Treasurer would cut and issue the check to the FAST Squad for the donation.

5. Business Items for Discussion or Vote

- a. Road Foreman's report: Jim presented an estimate for garage door repairs from Keith Manney, Overhead Door of Rutland in the amount of \$1500. Emily moved and Frank Seconded approval of this estimate. Frank suggested the replacement of the doors be considered. Unanimous. Jim asked about necessary garage repairs and Emily assured him this was underway. She has a contractor coming to give an estimate and will contact others as well. Jim and crew have started removing dead trees from the roadways. GMP will be taking out 14 on Howe Hill and Labounty Rd. Sy Benoit will also remove more complicated areas; Land owners are entitled to the wood for live trees, but the Town will offer the wood of both dead and live trees to property owners. Jim Potter also mentioned that the surplus reserve of brown sand is all that's left for the season after the next order and last order.
- b. Radio Repeater John Peters reported that the radios have been reprogrammed reprogrammed by the vendor. One radio in Truck #3 is not working and will need to be replaced. Frank Perron moved and Steve Chamberlin seconded that John Peters place an order to purchase a replacement for the radio in Truck #3 for an amount up to \$500. On a roll-call vote, the motion carried unanimously.
- c. Listers' Certificate. Steve moved and John seconded approval of the certificate of correction for the tax assessment of the Rand property on Broad Brook Rd, reducing the tax assessment by \$10,000. Neil explained this is necessary in order to set the Grand List, which cannot be done if there are any pending appeals. On a roll-call vote, the motion carried unanimously.
- d. Cloudland Structures Grant: Jon Harrington is preparing the preliminary documents. Deadline of 04/15/2020.
- e. Nancy Nutile McMenemy requested permission to hold the Covered Bridge Half Marathon, with mandatory road closures on the Stage Road, on 06/07/2020. The race organizers will notify residents, place appropriate announcements in the paper, arrange traffic control with the Sherriff, and submitted their certificate of insurance. John moved and Frank seconded; On a roll-call vote, the motion carried unanimously. Emily will notify Ms. McMenemy.
- f. Howe Hill Project Performance Bond Jon Harrington of Horizon Engineering (the Town's consultant) suggested that add an option to include a performance bond in the bid package for the Howe Hill Rd. project if we felt we needed one. Emily Grube attended the Sharon Selectboard meeting on Monday and they are in agreement to include a performance bond in an amendment to the RFP. Emily Grube moved and Frank Perron seconded. On a roll-call vote, the motion carried unanimously.
- g. "To Do" items for after Town Meeting. Scott Woodward suggested we start identifying topics for the organizational meetings i.e., signing authority,

- appointments, etc. He will work up list of items and post an Excel spreadsheet on Sharepoint.
- h. Permission for ZBA's request for consultation with Atty. McLean. Ben Brickner has requested permission to contact legal counsel in re: Teago Store Hearing (which is currently recessed). The ZBA needs to consult an attorney in regard to findings of fact. Emily Grube moved and John Peters seconded that the board approve the ZBA to seek legal counsel from Stitzel, Page and Fletcher. On a roll-call vote, the motion carried unanimously.
- i. Approved amendments to proposed Zoning Regulations. Further action is necessary prior to warning the 2nd Zoning Ordinance Hearing subsequent to the changes to the proposed zoning regulations that the Selectboard approved on January 15th. Scott Woodward noted that there's a statutory process that must be followed when substantial changes are made to the proposed regulations after the Selectboard's hearing. Emily Grube anticipates the reply letter from the Planning Commission on this matter. She expects necessary language changes for light industrial/heavy industrial areas as well as standards for noise levels.
- j. Frank moved and John seconded approval for Silo Distilleries catering permit for a reception at Artistree on 02/25/2020. Carried.
- 6. Meeting Wrap-Up
 - a. Selectboard Correspondence: Selectboard Correspondence: Pomfret was selected by the Department of Public Safety (VT) (DR 4330) to undergo an audit re: 06/2017 FEMA report. Scott Woodward attended the initial audit review in Waterbury on 2/5. The Dept. of Public Safety will issue a follow-up letter in about a week outlining areas where the Town is compliant, non-compliant and where the Town could benefit from "best practices." Scott Woodward will provide requested documents to DPS. Once the letter is received, the Town will have 45 days to respond. The DPS noted that the Towns Conflict of Interest Policy will need to change to comply with Federal procurement requirements. Scott also noted that we will need to submit our Pay Policy to the DPS.
 - b. Assignments: John Peters will make the purchase for a new radio for Truck #3. Scott Woodward will develop a spreadsheet to post to Sharepoint for things that will need to be done immediately following Town Meeting. Emily Grube will email Jon Harrington about including the option for a performance bond in the Howe Hill Rd. RFP amendment. Emily Grube will email Nancy Nutile-McMeneny with approval for the road closure for the Covered Bridges half marathon, and Emily will also email Ben Brickner with approval for the ZBA to consult with Attorney Joe McLean.
 - c. Agenda for Next Meeting: Our moderator, Kevin Geiger, will attend 02/19/2020 meeting for a pre-town-meeting review.
- 7. Frank moved, John seconded adjournment at 7:19 pm On a roll-call vote, the motion carried unanimously.

Respectfully submitted. Cynthia Hewitt Selectboard Assistant

Scott Woodward Town of Pomfret 5218 Pomfret Road Pomfret, VT 05053

Reference: 2018, Public Assistance, 02140-84330-027

Dear Mr. Woodward,

Following up on our phone conversation, this letter is to confirm the on-site financial monitoring review of the above referenced Federal grant. I look forward to meeting with you on Wednesday, February 5th at 1pm. Please contact me with any questions you may have about the review.

State and federal monitoring standards require a review of a subrecipient's organizational and financial systems, to include:

- Internal Controls
- Accounting System
- · Financial Management
- Grant Management
- Compliance with agreement requirements
- Compliance with federal and state requirements, as applicable

I have included a list of documents I would like to review. This list is not conclusive and may be changed during the course of the review.

The review will require your participation; it should take between one to three hours. Prior to the conclusion of my visit, I will discuss the overall review, any areas requiring additional

review, and any identified questioned compliance, which will be noted in the financial monitoring report requiring a corrective action response.

With Best Regards,

Jordan Black-Deegan

Audit Analyst

Vermont Department of Public Safety

Award being reviewed

Public Assistance 02140-84330-027 8/16/2017 \$52,127.44

Primary list of monitoring documents

Documents will be selected based on sample review

Grant Management:

- Grant Management Policy & Procedures (if organization has one)
- Certificates of insurance
- Indirect Cost Documentation if applicable
- Record Retention Policy

Purchasing:

- Employee Code of Conduct Policy
- Suspended & Debarred check (SAM.gov)
- Procurement Procedures
- Purchasing Policy
- Multiple bids & Procurement History
- Contracts
- General Ledger (expense & revenue) for sampled expenses
- Bank statements of check payments for purchase & reimbursement

Equipment Purchases:

- Inventory Policy
- Property Records
- Asset list if applicable
- Capitalization Policy if applicable

Salary Expenses:

- Employee Policy
- Payroll Policy
- Payroll records/history
- Activity Reporting
- Overtime Policy
- Benefits source documentation if applicable
- General Ledger (expense & revenue) for sampled expenses

From: Elvira Otero (CENSUS/PFLD FED) <elvira.otero@2020census.gov>

Sent: Tuesday, February 11, 2020 10:39 AM **To:** Emily Grube <Emily.Grube@pomfretvt.us>

Subject: Please add this item to the Selectboard agenda

Emily Grube Pomfret Chair Selectboard Good morning,

My name is Elvira Otero and I work for the United States Census Bureau.

I am census recruiter in Windsor County and we are offering Census Takers jobs. The U.S. Census Bureau needs to increase the number of applicants in the town of Pomfret and I request the Selectboard support asking you if it is possible to place lawn signs, promoting Census jobs, in public spaces through the town of Pomfret.

The census takers will help us be counted to keep the money coming into Vermont for our schools, hospitals, roads, child centers, community centers, senior centers, public services, project services, and much more.

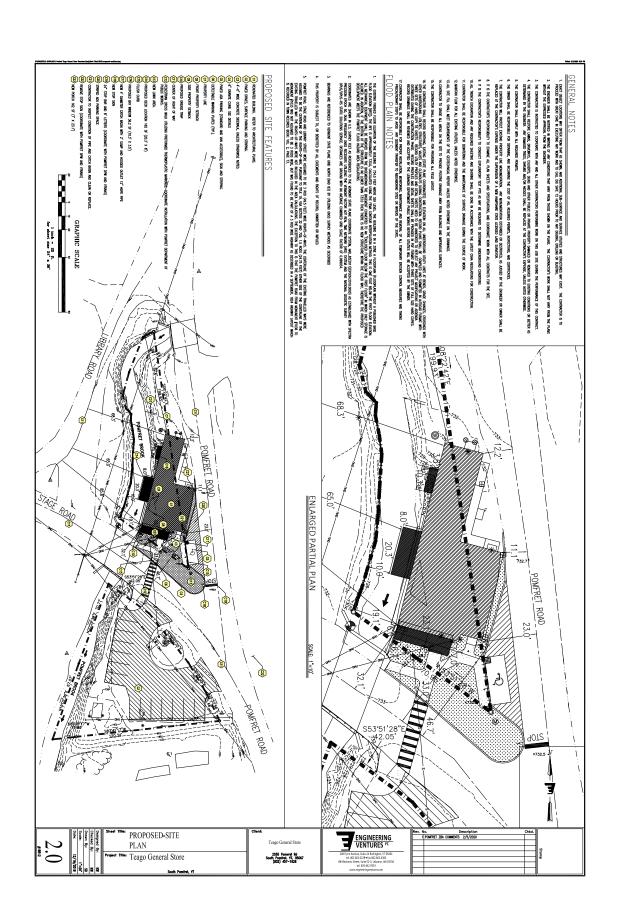

Thank you for taking the time to read this email and for helping the U.S. Census Bureau.
Sincerely,

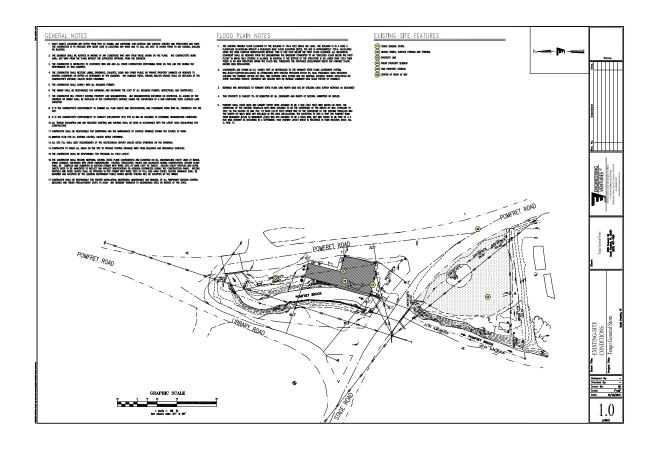

Elvira Otero

Recruiting Assistant

Town of Pomfret, Vermont

REQUEST FOR PROPOSALS Engineering Design Specifications For Pomfret/LaBounty Road Intersection

Proposals due by Noon, March ?? 2020

Mail responses to: Town of Pomfret Attn: Chair, Pomfret Selectboard 5218 Pomfret Road North Pomfret, VT 05053

Contact Information:

Introduction

The Town of Pomfret, Vermont, ("Town") is accepting proposals for a complete set of engineering design and installation specifications for a redesigned intersection where LaBounty Road and Pomfret Road meet in Pomfret, VT.

The Town is exempt from the Vermont State Sales Tax.

.

Proposal Schedule

| Activity | Date |
|------------------------------------|------|
| RFP Issue & Publication | |
| Proposals Due | |
| Selectboard Decision (anticipated) | |

Instructions to Bidders

A. Delivery of Bids

As required by the Town of Pomfret Purchasing Policy, all bids must be submitted in sealed envelopes, addressed to the Town in care of the Selectboard, and plainly marked with the name of the bid and the time of the bid opening. Bid proposals will be dated stamped on the outside of the envelope immediately upon receipt. Any bid may be withdrawn in writing prior to the schedule time for the opening of bids. Any bids received after the time and date specified shall not be considered and shall be returned. Bidders shall bid to specifications and any exceptions must be noted. A bidder shall bid to specifications and any exceptions must be noted. A bidder submitting a bid thereby certifies that the bid is made in good faith without fraud, collusion, or any kind with any other bidder for the same work, and that the bidder is competing solely on his/her/its behalf without connection with or obligation to any undisclosed person or firm.

Sealed proposals, clearly marked "LaBounty Road Intersection" on the outside, <u>must be</u> <u>received no later than Noon, ????????</u> at the following address: Pomfret Town Offices, attn.: Pomfret Selectboard, 5218 Pomfret Rd., North Pomfret, Vermont 05053. Proposals shall be opened at a subsequent Selectboard meeting. Proposals can also be emailed to the Town Clerk at <u>clerk@pomfretvy.us</u> by the same time specified above.

B. Evaluation of Bids

As provided by the Town's Purchasing, in evaluating bids, the selectboard will consider the following criteria:

- 1. Price:
- 2. Bidder's ability to perform within the specified time limits;
- 3. Bidder's experience and reputation, including past performance for the Town;
- 4. Quality of the materials and services specified in the bid;
- 5. Bidder's ability to meet other terms and conditions, including insurance and bond

requirements;

- 6. Bidder's financial responsibility;
- 7. Bidder's availability to provide future service, maintenance, and support;
- 8. Nature and size of bidder; and
- 9. The degree to which the proposals respond to all requirements of the requested specifications.

The selectboard reserves the right at its sole discretion to reject any and all bids, wholly or in part, to waive any informalities or any irregularities therein, to accept any bid even though it may not be the lowest bid, to call for rebids, to negotiate with any bidder, and to make a n award which in its sole and absolute judgment will best serve the Town's interest. The selectboard reserves the right to investigate the financial responsibility of any bidder to determine its ability to assure service throughout the term of the contract.

C. Change Orders

As provided in the Town's Purchasing Policy, if specification changes are made prior to the close of the bid process, the Request for Bids will be amended and notice shall be sent to any bidder who already submitted a bid and a new bid process will be initiated. Once a bid has been accepted, if changes to the specifications become necessary, the selectboard will prepare a change order specifying the scope of the change. Once approved, the contractor and an authorized agent of the Town must sign the change order.

D. Scope and Deliverables

It is anticipated that between 0 and 100 LaBounty Road, highway modifications will be made to improve the intersection with Pomfret Road in order to make a safer and easier access for road travelers and Town highway equipment. The intersection is to be designed to comply with all applicable sections of the Pomfret Highway Ordinance (attached). The current 4 foot culvert will be upgraded to a 6 foot one per ANR. Maps of the area with a conceptual roadway layout are attached.

Engineering company will provide the following:

- -Topographic map depicting proposed roadway and intersection improvements and the Town highway property.
- -Estimate of fill amounts and material types.
- -Estimate of the cost of the culvert replacement (to be used to apply for VT structures grant).
- -Estimate of total project cost.

E. Compliance with Instructions
